AN HONORS UNIVERSITY IN MARYLAND

MEYERHOFF SCHOLARS RECOMMENDATION

Applicant's Name: _____

The Meyerhoff Scholars Program supports high-achieving students who have an interest in pursuing a Ph.D. or combined MD/Ph.D. in the sciences and engineering, and who are interested in the advancement of underrepresented groups in the sciences and related fields.

The above listed student has requested that you provide a letter of recommendation in support of their application to join a scholars program at UMBC. This document should be returned to the UMBC Office of Financial Aid and Scholarships. The documents can be sent to our office via fax (410-455-3322) or to the address listed below.

1. How do you know the applicant (in classes, as a counselor, etc.)?

2. Please describe the characteristics that make this student outstanding. Feel free to discuss academic, creative or extracurricular activities that you feel qualify the student for a scholarship for talented students. Attach additional sheets if necessary.
