

Federal Work Study – Hire Forms

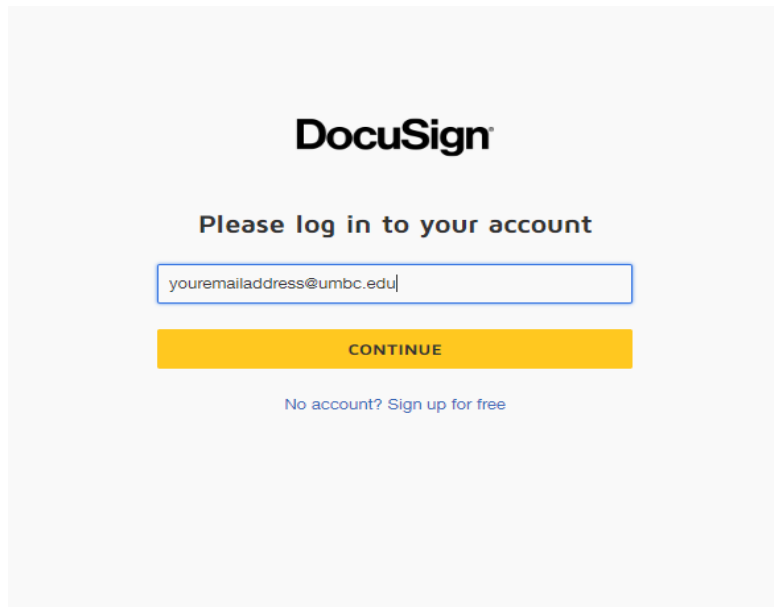

Departments will need to complete a FWS Hire Form for their new/returning employees each academic year. A student employed in a federal work study position is not authorized to receive any of their FWS award until the Hire Form is completed by the supervisor, student, and FWS Coordinator. Starting with the 2019-2020 academic year, all hire forms will be electronic through DocuSign.

DocuSign is a widely used electronic signature service that also securely stores documents. With electronic signature capabilities, you no longer will be required to hand-sign documents that are compatible with DocuSign. DocuSign provides full document encryption to ensure the privacy of your data. Only you and government professionals authorized by the Department of Education have access to your documents.

Using DocuSign to set up your account and signature

- 1) Go to <https://app.docusign.com/home>. You **DO NOT** need to create an account. Type in your myUMBC e-mail address to log into your account. Click continue. It will take you to log into your myUMBC account.

The image shows a DocuSign login interface. At the top center is the DocuSign logo. Below it, the text "Please log in to your account" is displayed. Underneath is a text input field containing the placeholder text "youremailaddress@umbc.edu". Below the input field is a prominent yellow button with the word "CONTINUE" in black capital letters. At the bottom of the screen, there is a link that reads "No account? Sign up for free".

- 2) You will see your home screen once you log in. On the left, you will see the overview of the actions you need to take on various forms. On the right, you will see your DocuSign ID and signature. You will want to set up your signature and initials by clicking “edit” next to “My DocuSign ID.” Follow the instructions on the screen to create your signature.

Initiating a FWS Hire Form:

Once you have hired your FWS student(s), you will need to initiate a FWS Hire Form for **each** student you plan to work in your department. ***If you have returning students from the 2020-2021 academic year, you must submit a new hire form for the 2021-2022 year.*** The supervisor, student, and FWS Coordinator all must complete their respective sections on the form in order for it to be complete.

1. Go to <https://ofas.umbc.edu/eforms/?id=21FWSHire> (make sure you are logged in myUMBC). You will see a supervisor box that will auto-populate your name and UMBC email address. Write in the student's campus ID. Make sure the campus ID is correct. If the student ID is correct, the student's name and campus ID will auto-populate. Click next to continue.
